The Honorable Jocelyn G. Boyd
Interim Chief Clerk / Administrator
Public Service Commission of South Carolina
101 Executive Center Drive, Suite 100
Columbia, South Carolina 29210

RE: South Carolina Electric & Gas Company;
Notice of New Natural Gas Construction Project

Dear Ms. Boyd:

South Carolina Electric & Gas Company ("SCE&G" or "Company") is required to notify the Public Service Commission of South Carolina ("Commission") and the South Carolina Office of Regulatory Staff ("ORS") of natural gas construction projects resulting in a cost of \$500,000 or more. See 26 S.C. Code Ann. Regs. 103-412.2.7(A). In compliance with Commission regulation, this letter serves as notification to the Commission and ORS that SCE&G plans to modify its natural gas pipeline system by retiring from service approximately 1,800 feet of existing ten-inch steel gas transmission pipeline near the intersection of South Carolina Highway 170 and Levy Road (which is located in the Levy Community within the City of Hardeeville) and replacing it with new pipeline of similar dimensions and characteristics but located farther away from the intersection. The replacement of the gas pipeline is necessary because the South Carolina Department of Transportation is expanding the intersection and requiring SCE&G to move its facilities. The construction of this pipeline is scheduled to begin on or about June 28, 2010. The Company anticipates that the total cost for this project will exceed \$500,000.

By copy of this letter, SCE&G, pursuant to 26 S.C. Code Ann. Regs. 103-412.2.7(A), is also notifying ORS of this construction project.

If you have any questions, please do not hesitate to contact us.

Very truly yours,

K. Chad Burgess
